

The Ontario Electricity Rebate (OER) provides eligible customers with a reduction on the amount of their bill before HST. If you have a multi-unit complex that uses more than 250,000 kwh/year, it may be eligible to receive the OER. To see if your multi-unit complex is eligible please complete the form below.

ELIGIBILITY CRITERIA

Please check all that apply to the account:

- The account is in respect of a long-term care home licensed under the Long-Term Care Homes Act, 2007, other than an account that is also in respect of a hospital as defined in the Broader Public Sector Accountability Act, 2010.
- The account is solely in respect of a multi-unit complex, but is not an account referred to above and all of the following conditions are met:
 - i. The account has (a) a demand for electricity greater than 50 kilowatts and (b) annual electricity consumption greater than 250,000 kilowatt hours.
 - ii. The multi-unit complex contains at least two qualifying units (a self-contained room or set of rooms, contain kitchen and bathroom facilities that are for the sole use or intended use of the unit, and are occupied and used as a residence).
 - iii. At least 50 percent of the units within the multi-unit complex are qualifying units as described in the sentence above.
 - iv. No part of the premises are defined in the ineligible multi-unit complex criteria below.

Ineligible Multi-Unit Complex Criteria:

(If your account meets any of the below criteria, your account is **NOT** eligible for the OER).

- A hotel, motel, resort, lodge, tourist camp, cottage or cabin, inn, campground, trailer park, tourist home, bed and breakfast vacation establishment or vacation home;
- A hospital;
- Short-term living accommodation provided as an emergency shelter;
- A university, college of applied arts and technology or other entity that provides post- secondary education;
- Living accommodation occupied by a person for penal or correction purposes;
- A premise that is subject to the Ministry of Correctional Services Act or the Child Youth and Family Services Act, 2017;
- Living accommodation provided by an educational institution to its students or staff where,
 - i. The living accommodation is provided primarily to persons under the age of majority, or all major questions related to the living accommodations are decided in consultation with a council or association representing the residents, and
 - ii. The living accommodation is not intended for year-round occupancy by full-time students, staff or members of their households.
- A premise that is identified as mining, quarrying, and oil and gas extraction; utilities; construction and manufacturing, per North American Industry Classification System codes (21, 22, 23, 31, 32 or 33)

ACCOUNT INFORMATION

If you have more than one qualified account, please list each one separately. If there are units in your building or complex that are metered or billed separately from the account referenced, do not include them in the total number of units for this account.

Account Number	Account Name	Service Address	Total Number of Units in Complex	Total Number of Qualifying Units in the Complex

Ontario Electricity Rebate Self-Declaration Form

I acknowledge it is an offence to make a false or deceptive statement in a document submitted under the Ontario Rebate for Electricity Consumers Act, 2016 and certify that the information herein is complete and accurate.

I confirm that should the account no longer meet the eligibility requirements; I will give a revised declaration form to Essex Powerlines within 90 days of the date of the change in eligibility. I confirm I may be subject to a third-party audit at any time to verify the accuracy of information provided and could be held liable for reimbursement of any funds overpaid.

Name: _____

Title: _____

Signature**: _____

Date: _____

*** Signatory must be an individual legally authorized by the consumer to give the notice on the consumer's behalf.*
